Dr. Sarfraz Khan

The University of Central Punjab is one of the biggest private sector universities of Pakistan recognized as 'W' Category University, which is the highest rank, by Higher Education Commission (HEC) of Pakistan. Along with promoting education we also emphasize research at various levels of study. To promote research culture in Pakistan, we took an initial step in 2006 and published a peer-reviewed Open Access research journal titled, 'Paradigms' recognized by Higher Education Commission (HEC) of Pakistan and is indexed/ Abstracted in renowned databases.

To enhance the quality of research in Pakistan, we are looking forward to experts' opinion/suggestions for continuous improvement in research and development. We are writing this letter to request you to be a part of the Advisory board of Paradigms to support the noble cause of promoting research in Pakistan. We will be grateful to get your consent to be a part of the editorial/advisory board of our journal at your earliest. We look forward to having a favorable response from you. Information about the University of Central Punjab, Lahore and Paradigms research journal can be access through the following links [www.http://ucp.edu.pk/](http://ucp.edu.pk/), <http://paradigms.ucp.edu.pk/>.
