D. Production/Master Copies. For the purpose of production and archiving, ProQuest shall have the right to electronically scan and/or store the electronic images and text of the Licensed Materials (referred to collectively as "Master Copies"). III. DELIVERY OF THE LICENSED MATERIALS, FAIR TREATMENT

- A. Delivery of Licensed Materials. Within thirty (30) days of the effective date of this Agreement, the Licensor agrees to begin providing ProQuest with complimentary copies of each current issue or edition of the Licensed Materials at the time they are published or first become available. One copy of each back issue will be furnished upon ProQuest's request at no cost to ProQuest, but only if available. If and when Licensor has suitable electronic versions of the Licensed Materials available, the Licensor may fulfill its complimentary copies by providing issues or editions of the Licensed Materials in machine-readable form via electronic transmission or magnetic or optical media, subject to the protocols and procedures to be mutually agreed upon by the parties. Licensor will notify ProQuest in writing at least ninety (90) days in advance of any modification to its protocols. The costs associated with such transmission will be borne by Licensor. Updates to the Licensed Materials will be provided as soon as they become available and the Licensor will use its best efforts to provide the updates at the time of publication.
- B. Fair Treatment. If a license regarding the Licensed Materials currently exists or is later granted to any third party either directly or indirectly, which contains more favorable terms with respect to the license models under which ProQuest may distribute the Licensed Materials, the amount of information made available by Licensor to ProQuest, embargo periods or the frequency or timeliness that Licensor provides information then Licensor agrees to promptly extend such terms to ProQuest.

IV. TERM AND TERMINATION

- A. Term and Termination. The initial term of this agreement shall be for five (5) years from the Effective Date and will automatically renew for successive three-year periods unless either party notifies the other of termination in writing at least one hundred eighty (180) days prior to the expiration date.
- B. Rights After Termination. Following termination or expiration of this agreement, ProQuest shall be allowed to complete the scanning of any volume year or edition that is in process and ProQuest shall have the right to license or to sell backfile material from its Master Copies, including the right to fulfill its obligation to customers who have purchased perpetual licenses to products containing the Licensed Materials. Backfile material means volume years or editions of the Licensed Materials for which ProQuest was granted rights during the term of this agreement.

V. OTHER MATTERS

- A. Warranty and Indemnification. The Licensor agrees to indemnify and hold ProQuest harmless against any loss, damage, claim, liability, settlement cost or expense (including attorneys' fees) incurred by ProQuest and arising out of or in connection with any breach or alleged breach of the Licensor's representations and warranties (an "indemnified claim").
- B. Assignment. This agreement may not be assigned by either party without the prior written consent of the other, except to a purchaser or assignee of all or substantially all of the assets which are required for performance of this agreement. Notwithstanding the above, Licensor shall be responsible to its assignee or the purchaser of its rights in the Licensed Materials for any royalties remitted to Licensor until such time as Licensor has provided ProQuest with notification of assignment, sale, or other such transfer of rights.
- C. Governance. This agreement, and the performance under it, shall be deemed made in and construed in accordance with the laws of the State of Michigan without application of its conflict of laws provisions.
- D. Force Majeure. Neither the Licensor nor ProQuest shall be considered in default or liable under this agreement in cases of delays due to wars, civil riots, epidemics, acts of God, fires, strikes, government restriction or other circumstances beyond its control.
- E. Confidentiality. The parties shall keep the specific terms of this agreement and the content of the business discussion between the parties confidential, including information which is or should be reasonably understood to be confidential or proprietary to the discloser of the information. Notwithstanding this provision, either party may disclose relevant portions of this Agreement (1) to its parent or subsidiary companies; (2) for due diligence purposes related to a prospective sale or purchase of the party's

business or assets; or (3) as otherwise required by a court or regulatory agency. This confidentiality provision shall survive the termination of this agreement.

This document constitutes the entire understanding of both parties with respect to the Licensed Materials, except that it shall not affect previous permissions for individual components of the Licensed Materials nor shall it affect any backfile rights preserved under any current or prior agreements. Failure of either party to enforce any provision of this agreement shall not be construed as a waiver of such provision or of the right to enforce such provision. No waiver, amendment, or other modification shall be valid or binding unless in writing and signed by both parties.
